SWINBURNIAN EDITORIAL

(Grade XII — Eve of June 18th)

“Now the hounds of June are on May’s swift traces
(Grimmest of months since the year began),
And Matriculation’s ordeal faces

Me, that have failed to play the Man,
I shall gather, I fear, the grapes of wrath,
For I’ve loitered long on the Primrose Path,
Lingered too long in the pleasant places
Nor run the race that my betters ran.

The School has shaped me, the School has shriven me,
I shall go with memories bitter and sweet,
And the strength, perchance, that the School has given me
To stand on my own, not another’s, feet;
But I feel (am I wrong?) that I’ve erred in toto,
The fault was mine, and alas for the photo-
Stat with results of the Tests that have riven me,
The meed so meagre, but Oh so meet!

Was all, then, sin? Was all omission?

One week, at least, has been strain and stress;
Some grace may be granted my late contrition
(And these last seven days, with their dire duress);
And perhaps I shall find, on a day so fair,
A Major here, and two Majors there,
With Credits a hundred — a score in addition,
And a tick in the column that tells me ‘Yes’.”

SCHOOL NOTES

The enrolment now stands at a record 162 boarders and 82 day boys. To meet this increase two classrooms in School House have been turned into dormitories, for which, incidentally, they were originally designed more than fifty years ago, and the Faculty strengthened by the addition of Mr. Richard Parsons, M.A. (*Oxon*), to teach French and Maths.

It has been a year of intense activity, wherein the building of the School Chapel has, perhaps, overshadowed all other happenings.

This remarkable achievement is dealt with fully elsewhere in this issue, but it must not be forgotten that, at the same time, much progress was made in other fields also. For all too many years boys have changed for games in any nooks or crannies that could be found. The construction of a fine new Changing Room, complete with wire lockers for 200 boys, boot-cleaning facilities and store cupboards for equipment, has indeed changed all that, and the \$16,000 that this has cost must be regarded as money well spent.

The construction of the Scout Hut began with many unforeseen difficulties. Originally it was intended that the Scouts should build the Hut themselves, but it was then decided that all construction work by boys should be concentrated on the Chapel, so that, in fact, although some of the work was done by them, the total amount was negligible. Meanwhile, foundations were laid in accordance with the architect's plan, only to have these disallowed later by the Municipality. Eventually the Hut was completed at a cost nearly three times that originally estimated, and it is now temporarily doubling as a Scout Hut and as a classroom for Grade VI. In the latter role it is invaluable, but it is hoped that it may cease to be a classroom after this year.

The Library has been greatly improved by the addition of a Reading Room, which has been very well furnished indeed.

Another room which has been given a new look is the Senior Lounge. Not only has it been painted and fitted with book-shelves, but the floor has been covered with lino and well carpeted. Chairs have been installed for watching TV on the set donated by Mr. and Mrs. F. W. Davis, and Mrs. Rob Wilson has made curtains to add still further comfort.

If money were no object, it would be simple enough to furnish all the rooms anew but unfortunately this is not so. Nevertheless, boys who left two years ago have returned to marvel at improvements which, we hope, will be but the forerunners of things to come.

Old Boys particularly will be interested to know that half the big playing field, comprising two pitches, was dug up in the late spring, rotovated and resown, after new drains and watering system had been put in. The result is that, whereas, three years ago, we were able to use the ground only six times during the season because of the inability of the existing drains to get rid of the stagnant water, we should now experience no interruption. Moreover, it is very good to see grass where once was nothing but hard clay. This \$6,000 investment should pay dividends for years to come.

Rugby Football has been outstandingly successful this year, indicating a remarkably high level of coaching throughout the School, and although in other sporting activities (save basketball, wherein we have attained unwonted heights) we have not had, perhaps, so many successes as in previous years, we have still performed well. The Cadet Corps maintained its customary high standard, and had the honour of being inspected by Major-General Rockingham, G.O.C. Western Command.

Christmas Dinner was, as usual, a great success. In place of the customary professional singer, we were entertained by a quintet provided by the Victoria Symphony Society, as a complimentary token of appreciation of the School's help to the Society in the provision of the Assembly Hall for rehearsals. This year too we were honoured by the presence of the Lieutenant-Governor and Mrs. Pearkes and the Minister of Education and Mrs. Peterson as our principal guests.

On these occasions we wish heartily that Brown Hall were large enough to accommodate all our Parents, for this has become one of the happiest occasions in the school calendar: but this is the evening when the masters and their wives join the boys in celebration, and space simply is not available.

During the Easter holidays the School was host to the Canadian Headmasters' Association, when the Headmasters (or their representatives) of the seventeen independent boys' schools which make up the Association met for the first time in Victoria. Having come over from the mainland on a destroyer, they were entertained to tea at Royal Roads and then stayed as guests of the School at the Empress Hotel. In the evening, a cocktail party was given, followed by dinner in Brown Hall, to which a representative section of Old Boys from each of the schools was invited. Thus, Dr. Ketchum of T.C.S. presided at a table over a dozen of his own Old Boys; similarly Mr. Larsen from Shawnigan, Dr. Penton from Lower Canada and so on.

The principal speaker was Professor Emery of Victoria College, who, appropriately, took "Old Boys" as his theme and, in his customary manner, gently "ribbed" his audience and his subject. The Hall itself was gay with spring flowers and wrought-iron candelabra, which made their debut at the Dinner, and all this, combined with light music provided by the Victoria Symphony Society, made the occasion an evening to remember.

On the social side, the School Dance was voted the best ever, and it is a tribute to the fitness of the "contestants" that the Twist left no trail of broken bones behind it.

At Christmas Mr. Wilson left Harvey House to marry Miss Pamela Birley. At Easter Mr. Greenbank married Miss Jackie Mackie; and a former master whose wedding will be of great interest to recent boys was Mr. Graham Leslie, who married Miss Louise Roberts. To all these the School offers its warm congratulations and good wishes.

The School extends a warm welcome to Mr. Benton S. Mackid of Calgary, who has been elected to the Board of Governors. Mr. Mackid graduated in 1934 to the University of Alberta after a distinguished school record as Captain of Football, Cadet Major, and Senior Prefect.

H.M.

OBITUARY

F. E. Winslow Esq., O.B.E.

The Board of Governors and the School have lost a great friend in the person of the late Mr. F. E. Winslow, who died on May 10th., 1962. In the appropriate place — together with the "Valeté" — Mr. Genge pays the School's tribute in classical form, but it is fitting here also to say something of a man whose like, alas, we shall not see again.

In the hungry thirties, when the School suffered financially and was in great difficulties, it was he, together with a small handful of Old Boys, who saved it from complete disaster; and as Chairman of the Board of Governors until his illness in 1958, he steered it back on the road to recovery and to the financial stability which it enjoys today.

During his long tenure of office his enthusiasm for the School never waned, and even during his final illness he still maintained a constant interest in the boys, the masters and the affairs of the School. For his service to Canada during the war of 1939-45 he was awarded the Order of the British Empire, and for his many public services to the City he was publicly named "Mr. Victoria"; yet, he still found time to serve the School to which he had sent his son, who was later to die on active service with the R.C.N.

On his last visit to the School a group of senior boys escorted him around in his wheel-chair. It was on this occasion that the photograph was taken which appeared in last year's *Black and Red*. He enjoyed that visit, and the School tie which he wore that day remained his favourite to the end.

In the history of the School there can have been no one who did more for it, without financial reward or personal gain, than did Mr. Winslow. We mourn his loss, but we will be ever grateful for having enjoyed his friendship.

Entered September 1957. Left June 1962.
Winner of the Chapman Cup 1958 and the Ker Cup 1962.

SPEECH DAY

Speech Day, on June 2nd., was particularly noteworthy in that for the first time in the School's history the Guest of Honour was a citizen of the United States. It seems incredible that such an omission could have lasted so long, and it was important, therefore, that the first occasion to "break the ice" should be a success. In Canon Yaryan of San Francisco we had the right man in the right place. A prominent man in his chosen profession — he is Executive Director of the Diocese of California — blessed with a tremendous sense of humour, himself a parent of a senior boy and a loyal supporter of the School, he was, indeed, a fortunate choice, and we were most happy that he agreed to come. This was still more kind in that only a few weeks previously he had flown up from San Francisco to take part in the Service of Dedication of the School Chapel.

With his warm spirit and spontaneity he very quickly had the audience with him, so that the discomfort of the Assembly Hall into which everyone had to be packed, since the shocking weather made an outdoor address impossible, was quickly forgotten and, instead, what could have been an ordeal to endure was a pleasure to enjoy.

The proceedings followed their customary course; that is, the Headmaster's Report was followed by the presentation of prizes by Canon Yaryan, who then gave his address, for which he was ably thanked by the Head Prefect, David Angus. The Chairman of the Board of Governors, Brigadier Cabeldu, seconded the vote of thanks, and the proceedings closed with "The Queen". Despite the weather it had been a great and successful occasion.

Ker Cup	G. G. Murdoch

CONFIRMATION

The following boys were prepared for Confirmation by the Rev. C. D. Blencoe, B.A., School Chaplain, and presented to the Archbishop on the morning of Sunday, May 20th., at St. Luke's Church, Cedar Hill:

Christopher J. Ashton
 Robin K. Blencoe
 John C. Emmel
 Peter W. Hardy
 George G. C. Howe

Herbert E. Howe
 Charles A. Hughes
 Patrick S. Stephenson
 Robert G. W. Thorp

CHAPEL COMMITTEE AND GUESTS

THE CHAPEL

Punctually at 3:00 p.m., on Sunday, May 20th., the Most Rev. Harold Sexton, D.D., Archbishop of British Columbia, knocked on the closed door of the Chapel with his Pastoral Staff. With the traditional words of blessing and greeting, "Peace be to this House", the Service of Dedication began.

So the many weeks and months of toil and care came to fruition, and all those masters and boys who had laboured on the project felt at that moment an understandable pride in the measure of their achievement. For the first time since the foundation of the School in 1906 scholars and staff could worship together in their own Chapel. The writer had vivid memories of the feverish enthusiasm of boys in the early stages of construction — of hordes of grubby youths clearing rubble and debris, cleaning ancient bricks, raising timbers, climbing precarious scaffolding to dizzy heights and working away in the leisure hours from the sheer love of something perceptibly greater and better than themselves. How Mr. Logan, our incomparable Foreman of Works, controlled this turbulent labour force and productively harnessed its energy will forever be a mystery. But on that brilliant Sunday in May, as the distinguished visitors took their assigned places in the Chapel, a feeling of quiet satisfaction perceptibly rippled through the School ranks — the organization held together and everything clicked into place — the School Governors arrived — the Lieutenant-Governor of the Province took his seat accompanied by Viscount Amory, British High Commissioner in Canada — the Clergy entered — finally the Archbishop began: "*Peace be to this House . . .*"

To record every detail of the Service in this space would be an impossible task. The actual text, however, was set out most handsomely in permanent booklet form, and we are indebted to Mr. Adrian Greenbank, our Art Master, for his supervision of its printing and design. Every boy received a copy as a fitting memorial of the day's events. Our thanks also are due to every member of the Chapel Building Committee, to the Chairman, Mr. Creek, to Mr. Prowse, our fundraising expert, and to the Chapel Wardens, Mr. Caleb and Mr. Murgidge, for their meticulous staff work in directing the processions and seating arrangements. Mention must also be made of J. E. Mousel, who was appointed Verger, and D. I. Chapman, who acted as Crucifer for the great Ceremony. But perhaps the greatest tribute must be paid to the boys who had no official parts to play — the vigour and manliness of their responses as the Archbishop dedicated the ornaments and furniture surprised many of the visitors. We shall recall the thrill of being submerged in a sea of sound produced by youth singing with gusto and enjoyment.

Of all the many memories of this day, however, we must gratefully note, first, the Dedication Address delivered by Dean Swanson, one-time Chaplain of the School. In a sermon packed with topical allusions, and meaty with the wisdom of a seasoned campaigner, his suggested title for the Chapel, "The Chapel of the Carpenter", will long be cherished by the boys. Secondly, however, we must place on record our gratitude to His Grace the Archbishop for the sympathy with

20th MAY 1962

ARCHDEACON SWANSON DELIVERS THE ADDRESS

which he has followed the progress of the Chapel construction, and for the moving way in which he presided over the complex Dedication Ritual. We can now proudly offer him, as Visitor to the School, the hospitality of a decently furnished and beautifully appointed place of worship.

So the day came to an end, but with it a new beginning for the School. On the two Sundays following the Dedication many parents attended Services of Thanksgiving, and it is hoped that their presence with us on those occasions will set a pattern and precedent for the years that lie ahead.

The response to the Chapel-Building Fund was splendid over the period of construction, and we must not only congratulate the boys on their sense of responsibility in financing the work, but we must also pay tribute to all those parents and friends who contributed so generously. They are too numerous, of course, to quote in detail in this report.

C.D.B.

TACOMA RELIGIOUS CONFERENCE

A small party of Senior Boys, accompanied by Mr. Caleb, again attended the yearly religious conference which is held for scholars of private schools of the Pacific North-west at the Annie Wright Seminary, Tacoma. The delegates from the School all agreed, on their return from this week-end visit, that they had found the lectures stimulating and instructive. The discussions and debates were supervised by the Guest-Speaker, Dr. John Magee, Professor of Philosophy and Religion at the University of Puget Sound.

C.D.B.

ACADEMIC RESULTS

One Candidate, E. G. Eastick, was successful in an experimental Grade XIII (Senior Matriculation). The number of "completions" in University Entrance constituted an all-time record for the School. The following were successful (G. G. Murdoch leading the school averages):—

G. D. Abel
D. A. Angus
J. A. Angus
A. W. Borthwick
D. I. Chapman
D. R. Davis
E. R. Dobell
E. H. Dodyk
I. M. Dykes
A. O. C. Goward
N. R. Hawkesworth
R. P. Hudson

M. B. Huston
A. J. V. Keble
R. J. F. King
J. I. Littler
J. C. Mackid
R. J. MacLeod
G. G. Murdoch
E. D. Qualley
G. D. Stene
C. D. Tuck
R. W. J. Wedd

VALETE

- D. A. ANGUS — Brentwood 1957; VI Form 1960, VI Upper '61; House Prefect, School Prefect 1960, Captain of House, Head Prefect '61; XX Club (Vice-Pres.) 1961; Headmaster's Award 1961; 3rd. XV (Capt.) 1958, 2nd. XV '59, Captain '61, 1st. XV '60; 1st. XI 1960, Captain '61; Hockey XI 1962; Under 16 Basketball Team 1958, Basketball Team '61, Vice-Captain (Colours) '62; Shooting VIII, Band-Sergeant 1961, Lieutenant (Adjutant), Captain Shooting VIII, Marksman, Harvey Memorial Rifle '62. (as at August 31st., 1962)

RUGBY FIRST FIFTEEN

The 1st. XV had a successful season and finished with a record of eleven wins and three losses. In the matches against St. George's and Shawnigan Lake Schools we beat St. George's twice and, although we lost at Shawnigan, we amply revenged this set-back with a good win at home.

The ground was extremely hard at the beginning of September and we were unable to play our first game until October 14th. However, the first four weeks of the season were devoted to training, with emphasis on basic skills, which proved to be useful preparation for matches.

We were fortunate to have a good nucleus from last year's XV, and after Christmas the return of Blair was very welcome. Dykes proved to be a very capable Captain who assisted extremely well in training the team and was a tremendous inspiration on the field. Stene, as Vice-Captain, led the forwards with skill, and his experience was of great value to the side. He has now made fifty 1st. XV appearances, which is a fine achievement. Huston was a very impressive scrum half and pleased many with his fine play throughout the season.

Unfortunately the high schools did not have good sides this year, and Oak Bay and Victoria High were beaten by scores of 40 and 35 points without reply. *Venture* provided us with two good games and our matches with Royal Roads were perhaps two of the best games of the season. The first was a hard-fought contest under very wet conditions, which we lost 3-6, and the second encounter was a fine display of open Rugby under good conditions, which we won 14-12. We played extremely well to beat Oak Bay Wanderers 14-3, and our senior opponents were impressed by our fitness and ability. Our only poor performance was against Victoria University. We played a spiritless game and an injury to Dykes further plunged us into the depths of misery.

In the main games of the season we did very well to beat St. George's in Vancouver, which is always a tall order. The game was quite close until the last 20 minutes, when we overcame their forwards and began to pass the ball well. The game at Shawnigan, which we lost by two penalties to a try, was somewhat of a heartbreak, but we had become too quickly dispirited and our game suffered thereby, so that we deserved to lose. However, we learned a good lesson!

The return game against Shawnigan was played on a very wet and muddy field. Considering the dreadful conditions the team played extremely well, the three-quarters passing the ball and trying to play open Rugby (and, to their credit, they succeeded to some degree). But under such conditions forward play was of paramount importance and the pack never let up for one moment. Thus, we gained our first victory over Shawnigan for three years, which was very gratifying, although the wait had been too long.

We took the field against St. George's on the crest of a wave, after two fine wins against O.B.W. and Royal Roads, two senior teams. We enjoyed a good measure of the play but were, perhaps, a little over-

FIRST FIFTEEN

D. Windhem, J. Angus, A. Goward, A. Kettle, G. Simonsen, G. Murdoch,
H. Dodds, B. Blair, G. Stone, I. Dykes, B. Huston, D. Chapman, T. Yarsan,
R. King, G. Taylor

confident and careless. St. George's scored two good tries, both of which were converted. Two good penalties by Goward and a try by Dykes, converted by Stene, gave us a one point win 11-10. This was a slightly hollow victory.

Throughout the season the XV was willing to train hard, and the keenness was exceptional. This factor, perhaps, accounted for the fact that we were free from injury all the season. There was an intense battle for 1st. XV places and Angus I, Abel, Mousel, Palmer and Windrem for a period each lost their places in the team. To their credit they joined the 2nd. XV with enthusiasm and always gave of their best in order to regain their places. Their attitude is to be commended. Credit is also due to those players who displaced them, especially to King and Taylor, who practised and trained hard.

Prospects for next year seem to be quite good. Younger members of the 1st. XV — Yaryan, Simonson, Taylor — should be even more valuable next year, and the third fifteen appears to have an abundance of talent.

Colours were re-awarded to Dykes, Stene, Huston, Chapman and Blair. New Colours were Angus II, Yaryan, Dodyk, Murdoch I, Simonson, Taylor and Goward.

The Side was as follows: Dykes (Capt.), Stene (Vice-Capt.), Huston, Chapman, Blair, Goward, Keble, King, Murdoch I, Yaryan, Simonson, Dodyk, Angus II, Taylor, Windrem.

Perhaps the most outstanding feature of the season was the fact that all School teams were successful. This reflects well upon the spirit, enthusiasm and skill of boys throughout the School and augurs well for the future.

1st. XV RESULTS

School v. H.M.C.S. <i>Venture</i> , Won 18-9
School v. Royal Roads, Lost 3-6
School v. H.M.C.S. <i>Venture</i> , Won 15-3
School v. St. George's, Won 9-0
School v. Oak Bay High School, Won 40-0
School v. Shawnigan Lake, Lost 3-6
School v. Shawnigan Lake, Won 9-0
School v. Royal Roads, Won 14-12
School v. Oak Bay Wanderers, Won 14-3
School v. Victoria High School, Won 35-0
School v. St. George's, Won 11-10
School v. Victoria College "A", Lost 3-21
School v. An Old Boys XV, Won 64-5
School v. Victoria College "B", Won 11-3

R.W.W.

FIRST FIFTEEN CHARACTERS

DYKES (Capt.) (Fly Half) — A good, strong Fly Half who is a dangerous attacking player. He uses his weight well and his dummy to advantage. A fine handler of the ball and has improved his defence. His kicking is still weak, having much height and little length! He captained the side with tremendous vigour and enthusiasm, both on and off the field.

STENE (Vice-Capt.) — A good, experienced, hard-working Forward, who is capable of playing in any forward position. He performed well at No. 8, and later in the second row. He led the forwards well and got the best out of them by means of drive and example. His place kicking was not of a high standard in that he lacked consistency.

HUSTON (Scrum Half) — Enjoyed an exceptionally good season. He gave Dykes a magnificent service with his somewhat unorthodox style of passing. Despite his lack of weight he was always willing to fall at the feet of opposing forwards. He should try to make more breaks on his own from the base of the scrum.

GOWARD (Centre Three-Quarter) — A Centre Three-Quarter with a slow but effective dummy. He is a good ball player and is one of the all-too-few capable of kicking well with both feet. With a little more application he could be a fine all-round player. At the moment he is prone to occasional careless lapses in his kicking and handling. Lacked consistency as a place kicker but, nevertheless, kicked some good goals.

CHAPMAN (Wing Three-Quarter) — Fast and powerful, he was obviously a valuable player, but as a footballer he is strangely incomplete. His handling was adequate but his kicking and defence was suspect, and he seldom looked to give a pass.

BLAIR (Centre Three-Quarter) — Not a spectacular player but one who plays a competent all-round game. He did not often attract the eye of the spectator, but was rated very highly by his own team-mates, which is a great compliment to him.

KEBLE (Wing Three-Quarter) — He had speed and could tackle well on occasion. His play was a tremendous improvement on his previous year's, but with a little more confidence he could have proved even more valuable.

KING (Full Back) — Limited, in that he was only a defensive player: nevertheless, he practised hard and learned to kick with both feet and to tackle courageously. Rather slow and awkward-looking, he always did his job and gained the confidence of the rest of the team.

SIMONSON (Prop Forward) — A very young player with a good physique. He became more aggressive towards the end of the season and consequently his play improved. His line-out work was useful. He should do extremely well next year.

MURDOCH I (Hooker) — A competent and hard-working hooker. His loose play and backing up proved a great asset and his lack of poundage proved to be no disadvantage.

YARYAN (Prop or Second Row) — An outstanding forward who had an extremely good first year. He has remarkable speed for such a big player, and impressed in most departments of forward play. Good in the line-out, although he did not have a lot to do. Next year he will have more line-out work against better opponents than he faced this year, but he should fare extremely well.

DODYK (Second Row) — Our largest and heaviest forward, who played some aggressive Rugby. With Stene he did most of our line-out work and did it well. He was moved from his front row position, but by the end of the season he had to admit that he enjoyed second row work!

ANGUS II (Wing Forward) — In defence he was a worry rather than a menace to the opposition, but he possessed speed and used it effectively in attack, scoring several splendid opportunist tries.

TAYLOR (No. 8 Forward) — Though he did not tackle very effectively in the open he was tremendously fit and strong and covered extensive acreage during the season. A valuable member in the tight scrum with his pushing ability, his backing up was also an asset.

WINDREM (Wing Forward) — He was lacking in speed and his play at the beginning of the season was rather lethargic. However, he regained his place in the team after Christmas and was more at home on the heavier grounds, where he did a sound rather than spectacular job.

R.W.W.

SECOND FIFTEEN

D. Webster, E. Eastick, R. Tracy, J. France, G. Abel, T. Price, M. Symons,
A. Geissler, J. Mousel, D. Angus, J. Palmer, E. Ralph,
T. Seeger, R. Rivera, D. Skidmore, J. Jefferson.

THIRD FIFTEEN

C. Mackid, D. MacDonald, P. Frost, M. Johnson, G. Hunt, M. Shanaman,
D. Dillon, M. Margolus,
M. Kelly, M. Wyatt, R. Dobell, B. Murdoch, L. Bell,
K. Scholefield, R. Barker.

RUGBY SECOND FIFTEEN

The 2nd XV won five games, drew one and lost four. It was the least successful of our teams, losing twice to St. George's (but gaining two wins over Shawnigan). The side suffered from a lack of good three-quarters and the forwards were rather lethargic on occasion. Angus I proved to be a good Captain, and those who played on the 1st. XV sometimes acquitted themselves well. The most promising player on the side was Seeger I. He should make a very valuable hooker for the 1st. XV in the future.

2nd. XV RESULTS

- School v. Oak Bay Wanderers (Junior), Drawn 3-3
- School v. Qualicum 1st. XV, Won 5-3
- School v. Port Alberni, Lost 0-3
- School v. Oak Bay High School 2nd. XV, Won 42-3
- School v. St. George's 2nd. XV, Lost 3-11
- School v. Shawnigan Lake 2nd. XV, Won 6-0
- School v. Shawnigan Lake 2nd. XV, Won 3-0
- School v. Qualicum College 1st. XV, Lost 5-13
- School v. Port Alberni, Won 6-0
- School v. St. George's 2nd. XV, Lost 8-26

R.W.W.

RUGBY THIRD FIFTEEN

The 3rd. XV enjoyed an exceptionally fine season this year. Only one school match was lost, against St. George's, and this defeat was more than made up for when St. George's were crushed 35-0 in the return match. Shawnigan Lake School 3rd. XV was defeated decisively three times, Royal Roads 3rd. XV twice, Oak Bay High School 2nd. XV 47-0 and Brentwood College 1st. XV 42-0. Apart from in school matches, victories were also recorded against the P.P.C.L.I. Cadets and Mr. Prowse's "Footsloggers" XV. In addition three extremely close games were played against the School 2nd. XV, in which the superior weight of the "seconds" just made the difference each time.

There is no doubt that the success of the XV was based on team work. The three-quarters backed each other up well both in attack and defence, while the forwards always played as a pack in the loose. All in all the players showed tremendous confidence in each other—the basis of all good teams. For this reason it is difficult to pick out any special individuals for special mention. Nevertheless, among the three-quarters Kelly I must be quoted for his very powerful running on the right wing, Wyatt for his tackling and Barker I for the way in which he developed into a fine, fast-thinking scrum half who took a tremendous amount of punishment. Among the forwards Dobell and Murdoch II must be mentioned for their hard and lively play in the loose. In conclusion it should be stressed that the 3rd. XV played good rugby in their matches because they practised hard and with enthusiasm. Dobell was a most efficient Captain.

N.R.B.P.

FOURTH FIFTEEN

J. Herpers, E. Qualley, N. Hawkesworth, J. Gurney, C. Butler, G. Cree,
 S. Custance, N. Fraser.
 S. Lowe, T. Nelson, H. Watson, J. Crumpacker, R. Pilling.
 R. McKenzie, J. Winnett.

FIFTH FIFTEEN

A. McGillivray, C. Lenfesty, R. Bratt, A. Hunter, L. Jack, R. Hunter, D. von Dehn, R. Gage,
 A. Blaney, R. Kelley, C. Redden, J. Angus, D. Singer, C. Ashton, F. Hinnon.

RUGBY FOURTH FIFTEEN

The 4th. XV also had a very good season, winning all their school games against Shawnigan and St. George's. The team was ably led by Watson and several of the younger players showed plenty of promise for next year, notably Nelson, a hard-tackling forward, and the two wings, Butler II and Fraser, both of whom made several appearances for the 3rd. XV.

N.R.B.P.

RUGBY FIFTH FIFTEEN

The 5th. XV had the fine record of Won nine, Tied two and Lost two (points for 140, against 21). A fierce determination both to win and to enjoy their games lay behind the team's success, except for a brief period of over-confidence, which resulted in the first defeat by Victoria High School. Usually the team proved greatly superior to the opposition, and, in fact, only the high schools could stand up to our fast-moving forwards and try-hungry backs. Each game with Victoria High School was exciting, and frustrating, as the forwards did not have the weight to give the backs much of the ball. The backs, however, succeeded in not scoring with a strong wind at their backs in the first half of the first encounter, although setting up a permanent encampment in the enemy twenty-five, and the High School crossed our line on their only visit to our twenty-five. A week later, in a desperate last quarter, we crossed the line three times but failed to satisfy the referee, and a long penalty won the game for the High School. The third meeting was spoiled by a high wind, and a freezing rain in our faces, during the whole of the first half, but a weakened XV held the lead until the final minutes, when a fine penalty levelled the scores.

The only other games worthy of mention were the first game with St. George's, when we held out against a heavier team for most of the second half, with a lead of two points, before scoring two late tries, and the first encounter at Oak Bay, when Redden was pushed over late in the game to tie the score, once more against a far heavier team.

The whole side played a high standard of football, but Angus III's Captaincy and defence need special mention — on only three occasions was our line crossed. He would, however, do well to adopt a less cautious attitude, both with regard to his own play and to the team. McGillivray was the driving force in the pack, and scored several opportunist tries: Ashton did some fine foraging and Hunter I jumped well; Hinmon was at times brilliant behind the scrum, and Bratt and Gurney made some good runs, scoring many tries; Lenfesty bullocked well in the loose, and Kelly covered ground for two men: Von Dehn's tackling ability and his refusal to admit defeat were his main assets, while Blaney, who entered the team late, provided the basis for a tight pack, as previously it seemed impossible to weld so many varying shapes and sizes.

Palmer and Abel need special mention for giving their time to help and encourage the team while I was unfit, a period during which Angus showed his worth as Captain.

J.B.P.

COLTS FIFTEEN

N. Vallance, S. Jack, T. Walton, C. Holm, J. Allen, R. Archibald.
 C. Hughes, M. Drum, T. Meyer, J. Finch, P. Stephenson, A. Timmis, R. Bapty.
 C. Chattaway, P. Wilde.

105 LB. FIFTEEN

B. Ingham, T. Parrott, B. Douglas, R. Edwards, B. Hobbs, M. Code, S. Bapty, D. Harris.
 G. Smith, H. Garrigues, J. Wenman, S. Mittelstaedt, G. Howe.
 P. Wilt, T. Hardy.

RUGBY SIXTH FIFTEEN

The 6th. XV played three games late in the year, but suffered from my inability to form a team until then, and from the fact that boys had to be drawn from several different groups. Allen I proved to be a useful Captain and player, and led the side to a fine counter-attack in the game against St. George's. The game against Lansdowne was a fine struggle, but in the end our inexperience made the difference.

J.B.P.

RUGBY COLTS FIFTEEN

The Colts have had a successful season on the Rugby field, as may be seen from the following statistics — Won four, Lost one: Points for 77, against 20. In our major matches we had two excellent and even games with St. George's, in which the standard of play by both sides was high. It was good to see two evenly-matched teams play fast, open rugby, with attack always being their main intention. In the Shawnigan matches there was little doubt as to who was the better side.

The Team was captained by Finch, who led his forwards with skill and speed, and set a good example both on and off the field. One of the strong points of the XV was the excellent combination established at half-back between Holm and Walton. This gave the three-quarters, particularly Archibald, a number of good scoring chances. The forwards all played well, in particular Jack, as Hooker, Drum, Timmis I and Wilde, while special mention must be made of Stephenson's fine kicking, which gained us many yards and not a few points.

N.C.B.C.

RUGBY "105 LB." FIFTEEN

The 105 lb. XV enjoyed an exceptionally successful season, winning six and losing one (points for 98, against 13). At their weight no team could touch them, their only loss being to Glenlyon School, by whom they were hopelessly outweighed and out-paced.

Behind the scrum Wenman, who captured the side, and Mittelstaedt I were outstanding both in attack and defence. Wilt, Bapty II and Hardy II were also very promising. The last-mentioned was successful against St. George's with a dropped goal from play, a thing seldom seen with boys of his size and age. Forward the side improved after a shaky start. Douglas was consistently good and he received powerful support from Howe II, who hooked effectively, from Parrott, a prodigious worker in the second row, and from Garrigues and Harris I, a useful pair of breaks.

W.R.G.W.

90 LB. FIFTEEN

J. Wenman, J. Featherstone, M. Jefferson, P. Korach, G. Mittelstaedt, R. Baker,
J. St. Germain.

B. Ingham, S. Bapty, R. Chaworth-Musters, T. Hardy, P. Wilt.
A. Montgomery, M. Barbanell, R. Barker, A. Hagar.

SEVEN-A-SIDE

K. Scholefield, L. Bell, D. Dillon, M. Kelly.
R. Barker, T. Yaryan, T. Seeger.

RUGBY "90 LB." FIFTEEN

Once again the 90 lb. XV enjoyed a successful season. The Team, again captained by Chaworth-Musters, was fortunate to have several of last year's players still able to turn out for them, so that, particularly outside the scrum, we were likely to be too strong for our opponents. All our three school fixtures were won — points for 45, against 3.

The backs, with Wenman and Hardy II a fine pair of halves and Wilt and Bapty II doing very well amongst the three-quarters, were too much for each team they played. The forwards were not of such a high standard as last year, but generally did well. Barker II, already an experienced rugger player in Grade VI, turned himself into a useful break forward, and, among the newcomers, Jefferson II and Mittelstaedt II formed a very promising second row. The Team showed great promise for the future.

I.M.

RUGBY "SEVEN-A-SIDE"

Once again the School entered two teams in the annual Vancouver Island under-seventeen "Seven-a-side" competition organized by the Victoria Rugby Union. In spite of an unfortunate draw which put both teams in far the strongest half, they did extremely well. The "B" team produced some unexpectedly good rugby before bowing gracefully to the "A" team, but not before they had become the only team in the competition to cross their line. Their path to the semi-final included a very exciting victory over the Shawnigan Lake School "A" team.

The School "A" team were full of ideas and not afraid to throw the ball about, and generally they produced some fine attacking rugby in which the elusive running of Bell and Scholefield was always dangerous. Their victories on the way to the final included ones over last year's winners, Cowichan High School, and a strong team from Victoria High School. In the final, against Oak Bay High School, however, it was essentially their fine defensive play (in particular the tackling of Barker I and Yaryan) which won them the competition. In the first few minutes the School were five points ahead when an excellent break by Scholefield led to a try under the posts. After that fast covering by the three forwards and close and determined marking by the outsides kept the much larger Oak Bay team out, though several times it was a desperately close thing. The team thoroughly deserved to win, and are to be congratulated on the amount of hard practice that they undertook. Without this the final victory would never have been possible.

The "A" team was composed of: Yaryan (Capt.), Seeger, Dillon, Barker I, Bell, Scholefield and Kelly I.

N.R.B.P.

JUNIOR SOCCER

As always soccer was overshadowed by rugger, and matches were played only in the Fall Term. Because of lack of practice the standard reached was not high, but the Team was lucky to have players of the calibre of Smith, Douglas I, Garrigues and Wenman, all of whom did well.

In the two matches against Glenlyon the Grades VII and VIII Team played against a side of mainly Grade IX boys and was supplemented by Wilde and Stephenson. In the first match we lost badly 6-1, but did well, in the second match, to hold the same team to a 2-2 draw. Against the Charles Wright Academy, Tacoma, the Team won 2-1.

In their only match the Grades VI and VII Team beat Cliffside 3-1.

I.M.

CRICKET FIRST ELEVEN

 N. Hawkesworth, A. Goward (Vice-Captain), D. Angus (Captain), D. Windrem, T. Seeger.

CRICKET

Difficulties, even greater and more numerous than usual, beset cricket this year. Actually, with last year's Captain and Vice-Captain and four others from the 1961 team available, prospects were reasonable. As it turned out, the side were weak in bowling and were further handicapped when an injury to Goward deprived them of the services of their best bowler in two vital school matches. This breach was filled in part by Shanaman, who came on well, his eight wickets for 14 runs against St. George's being the best individual performance of the season. Seeger kept wicket well, but the fielding was slovenly. The 1st. XI played five matches, two against men's clubs (one won and one lost), and three against other schools (one won and two lost).

The House Match ended in a very tame draw, but competition for the Clayton Cup was as keen as ever. Hawkesworth's Team finally emerging victorious.

Goward, as the best all-rounder in the School, was awarded the bat presented by the University School Incogs.

The following constituted the XI — D. A. Angus (Capt.), A. O. C. Goward (Vice-Capt.), N. R. Hawkesworth, D. O. Windrem, T. W. S. Seeger, M. E. Symons, M. W. Shanaman, C. B. Holm, G. R. Simonson, T. H. B. Yaryan and R. H. Barker.

W.R.G.W.

FIRST ELEVEN MATCHES

SCHOOL v. OAK BAY C.C.

The School were successful against Oak Bay by 14 runs. Goward batted in promising manner and took four wickets for 14 runs. Angus held a good and very important catch to finish the match.

SCHOOL v. ALCOS C.C.

The School batted feebly and Hawkesworth was the only major contributor. Goward again bowled well, taking five for 11, and Angus held an important catch, but the School had made too few runs and were beaten by three wickets.

SCHOOL v. SHAWNIGAN LAKE SCHOOL

Playing away the School were well beaten by 79 runs. The out cricket was presentable, Goward taking six for 42, and Johnson making a promising start with two for 32 in 11 overs. Seeger had a good match behind the stumps. Against some mediocre bowling the School batting was deplorable, only Shanaman appearing to wish to attack.

SCHOOL v. ST. GEORGE'S SCHOOL

Goward was unable to bowl but St. George's collapsed before Shanaman's leg breaks and were all out for 37. In taking eight for 14, Shanaman was well supported by Seeger, who stumped three men. When the School batted Goward failed again, but the runs were obtained for the loss of six wickets.

W.R.G.W.

FIRST ELEVEN CHARACTERS

ANGUS (Capt.) — Rather more confident with the bat than formerly, but still far too prone to go back instead of forward. Keen and safe in the field, Captained the side with enthusiasm, but was inclined to "over-direct".

GOWARD (Vice-Capt.) — A capable batsman. Possesses powerful strokes in front of the wicket and on the leg side, but when playing back fails to position himself quickly enough. When able to bowl he was very effective, with an improved action. Safe in the field.

WINDREM — Still too gentle with the bat, but plays reasonably well on the leg side. In the field his hands are fair, but he is weak on the ground.

HAWKESWORTH — Inclined to take root at the crease and fails to use his feet when playing back. Stronger in front of the wicket, but he often fails to get to the pitch of the ball, and his drives are lofted. Improved, but not strong in the field.

SEEGER — Continued to develop well as a wicket keeper. Quick and alert, he is now a danger to the batsman and his victims increase.

SYMONS — He will never approach consistency until his back play improves and he ceases to hit across. Lacks anticipation in the field, and his hands are not sure.

SHANAMAN — Turned the ball appreciably from leg and had a very successful season. With the bat he was somewhat awkward and unorthodox, but his eye was good and he made some timely runs. Good in the field, with safe hands and a fast and accurate throw.

BARKER — He can punish short bowling on the leg side, but his defence is poor. Slow in the field and lacking in anticipation.

SIMONSON — With the ball he is not without promise, but tries to bowl too fast and lacks both length and accuracy. Strictly agricultural with the bat. In the field his hands are good and his throw accurate.

YARYAN — Defends well when playing forward, but his back play is weak as yet. Keen in the field.

HOLM — With the bat he has quickly acquired a reasonable defence and runs are in store as his physique develops. He is also promising with the ball, and a good fielder close to the wicket. His enthusiasm and application to a difficult game have brought him to the front rapidly, and he is a cricketer of all-round promise.

W.R.G.W.

COLTS CRICKET

Cricket has suffered heavily from the lack of playing facilities this term, so it has been necessary to play games to a restricted timetable. In spite of this the standard has been reasonably high, and is a reward for the hard work which Mr. Wilson and Mr. Mugridge put in last year. As a result, Wilde and Holm have done well both as bowlers and as batsmen, while Lenfesty has made an adequate wicket-keeper. Another useful performer has been Blencoe, but he has tended to bowl too short and too fast. Angus has been a thoughtful Captain and has given his side plenty of encouragement to win their games.

Match results were as follows:

v. Shawnigan, away	Won (54 for eight dec. — 57 for seven)
v. Shawnigan, home	Won (75 for eight dec. — 21)
v. Glenlyon, away	Lost (43 for six dec. — 44 for one)
v. Shawnigan, home	Won (42 — 46 for six)

N.C.B.C.

HARVEY HOUSE CRICKET

The Team had quite a satisfactory record for the season. Everyone showed tremendous enthusiasm for the game, but nearly all boys lacked previous experience, so we relied heavily on the batting of Wenman and the bowling of Douglas I. Both should prove to be valuable members of the School 1st. XI in a few years' time.

Mittelstaedt I practised hard, and with a little more co-ordination and rhythm to his action may become a useful fast bowler. Other players have gained useful experience and should provide a valuable nucleus for next year's Colts. Harris I was scorer for most of the games and kept an efficient score book.

The team was: Wenman (Capt.), Douglas I, Mittelstaedt I, Wilt, McDonald II, Thorp II, Parrott, Roberts, Code I, Davis III and Smith.

Results:

School v. Shanwigan Lake	Lost (55-67) (Wenman 40 not out)
School v. Glenlyon	Drawn (48 for 2-78 for 2) Wenman 31 not out)
School v. Victoria Junior XI	Won (68-50) (McDonald II 30, Douglas I 4 for 23)
School v. Victoria Junior XI	Won (54-9) (Wilt 19)
School v. Victoria Junior XI	Won (66-50) (Wenman 36, Douglas 5 for 18)
School v. St. Michael's	Lost (13-36 for 4)
School v. Shawnigan Lake	Won (47-35) (Thorp II 14 not out, Douglas 7 for 11)

R.W.W.

HARVEY HOUSE JUNIOR XI

The second of the junior teams, made up of boys in Grades VI and VII, was fortunate in that most of last year's boys were still available. In the four matches played the team, captained very ably by Code II, won each time by a considerable margin.

The batsmen again scored prolifically and some showed great promise. Barker II, whose highest score was 40 not out, is becoming a very correct and promising batsman. Perhaps the greatest improvement was in the batting of Garrigues and Douglas II, who both performed very well on occasion.

The best of the bowlers was Hardy II, who bowled steadily and well in all matches. Garrigues and Barker also bowled well. Timmis II again kept wicket very safely and showed great promise.

I.M.

GRASS HOCKEY ELEVEN

D. Angus, D. Webster, I. Dykes, A. Keble, A. Goward, R. Barker.
J. Angus, Mr. I. Muiridge, Mr. N. C. B. Creek, Mr. N. R. B. Prowse, N. Hawkesworth.

BASKETBALL

D. Singer, B. Blair, T. Yaryan, I. Dykes, Mr. N. R. B. Prowse, H. Sweeting,
M. Shanaman, M. Wyatt, F. Hinmon.
B. Huston, D. Angus, G. Abel, J. France, B. Monkman.

FIELD HOCKEY

During the early part of the Fall Term the grounds were too hard for rugger, so field hockey was played regularly until the end of October. During this time Angus II and Hawkesworth established themselves as a pair of good wing-halves, while Dykes and Goward, at forward and Barker, at back, also played well. However, the team as a whole lacked drive near the goal area, with the result that we failed to score enough goals in some of our matches.

There are now four teams operating on a league basis in Victoria, and games have been played on Sunday afternoons. We won the first round of the league but came third in the second round.

Congratulations go to Goward and Hawkesworth for playing for the Victoria Representative XI in Vancouver, when we narrowly lost a good game 4-3; and many thanks go to Mr. Mugridge for his goal-keeping and help with the organization. N.C.B.C.

BASKETBALL

The sport again enjoyed a highly successful season. As in last year we started practising early in October at Lansdowne Junior High School. The time was divided equally between the under-sixteens and the seniors, and some twenty boys or more turned out regularly. Six matches were played before Christmas and we managed to win two of them. These games were of great importance, in so far as they gave the team valuable match experience. This was proved by the fact that we won 10 of our 13 games in the Easter Term. Highlights of the season included our first win ever over our up-Island rivals, Shawnigan Lake School, an exciting one point win (49-48) over Nanaimo High School and, perhaps our outstanding performance of the season, a 55-49 victory over the strong St. Louis College team, after they had previously crushed us 39-64.

Much credit for the team's success must go to George Abel, the Captain, who was by far the team's most consistent point scorer, as well as being the only real tactician in the side. Off the court, also, his enthusiasm did a lot to foster the growth of the game in the School this year. In addition, Jim France, who joined us from Quebec, in Grade XIII, brought valuable experience (and height) to the team. David Angus occasionally surprised us all with his remarkable hook shot, Bill Monkman used his height well, and by the end of the season was a consistent point scorer, and Bryan Huston used his fast break very effectively at guard.

All in all, everyone played his part and contributed to a happy and successful session. However, if the School is to continue to have a good basketball team, the game must be fostered and encouraged in the Junior School. It is hoped that Harvey House will begin to participate in practices next year.

Colours were re-awarded to Abel. New Colours were Angus I, France, Huston and Monkman.

The Inter-House match was won by Barnacle.

N.R.B.P.

TENNIS

The Senior Tennis Competition this year was dominated by the middle School, for Angus III, Kelly I and Lowe were all in Grade X. Kelly had the easier passage to the final, although Lowe gave him a good fight. Dobell appeared overcome by the strength of the opposition and conceded the semi-final without playing.

Angus, on the other hand, defeated Meyer, Goward and Abel. Goward and Abel had been considered by some to be possible winners, but Angus' steadiness enabled him to win through, defeating Goward, who was still suffering from a back injury, 7-5 and Abel 4-6, 7-5, 7-5. Kelly, however, was too well-grounded in all the finer aspects of the game, and he pulled back when well behind in both sets to win 6-4, 6-3. The game was spoiled by a strong breeze, which held down both players, but Kelly eventually used his powerful forehand and accurate balls down the sidelines to devastating effect. Angus, on the other hand, seemed unable to play a high ball or to smash in the early stages, and lost confidence in his ability to play such a shot, with the result that, while the game was still evenly balanced, he refused to make any attempts to kill what appeared to be easy balls.

In the Junior Competition there was no suitable opposition for Whitebrook, who beat Thorp II 6-0, 6-2 in the final. Unfortunately Whitebrook played a cautious game, hardly using his powerful forehand drives, and Thorp refused to make any attempt to force the game, which would have been his only chance of making a respectable score. Whitebrook must realize that, if he is to progress at all in the Senior Competition next year, he will have to adopt a more aggressive policy.

With such talent in the Middle School it is obvious that, if matches could be arranged next year, a reasonable team could be produced.

J.B.P.

SWIMMING

During the past term at least, swimming in the School reached a good standard, considering the limited amount of time set aside for this sport. The Swimming Club was again formed at the beginning of the year, and members were very enthusiastic.

The first meet of the year was with Shawnigan Lake School. This was a very spirited affair, of course, although perhaps a little one-sided, as the School won 56-22. Another victory was gained at the United Service Cadet Swim Meet on January 23rd., when the School "Open" and "Under" teams won all events except two, easily carrying off the Cup.

This run of luck was not to last forever, as the School team, at only three-quarter strength, was matched against Royal Roads Services College. Their men proved much more experienced swimmers; but they gave us a valuable lesson and it is hoped that we will not take a beating from them next year.

Owing to the time element and the difficulty of arranging meets with other schools, the rest of the session was confined to inter-House swimming.

The Harvey House Swimming Sports, held on June 18th., proved to be a very exciting gala, and was won by Fraser House with 46 points. Mittelstaedt I showed excellent form in winning all his races in the open events, and FitzSimmons, Thorp II and Barbanell distinguished themselves in the under 13 events.

Lastly, the Senior School Inter-House Match, held on June 23rd., proved a little discouraging because of the shortage of entrants. However, it was as exciting as usual, once under way. The day before Bowman had won the 440 Yards Free Style in what is believed to be a School record for this (under 16) distance — 6m. 18.4s. On the following day there was a great battle for points between Herbert Sweeting and Arthur Geissler, and at the last moment, with only two points between them, Sweeting won the Championship Cup for the fourth year in succession. The final score was — Bolton 63, Barnacle 56. This was indeed close competition.

Detailed results follow:

SENIOR SWIMMING SPORTS

Free Style, under 16	1. Bowman; 2. Hunter I; 3. Lowe; 4. Condon

A.L.G.

SKIN DIVING

The sport continues to be very popular. The Skin Diving course opens in the "Tank" and graduates ultimately to the sea. Last year the session was somewhat extended over two terms, owing to a change in instructors. The full complement of 20 boys was successful in obtaining qualified diving certificates at the end of the course.

P.A.C.

SKI-ING

Once again the Volkswagen has been pressed into service to take parties of boys and masters ski-ing on the mainland. On one weekend the weather was so bad that it was impossible to reach Mt. Baker, but an enjoyable time was had ski-ing outside Vancouver. For the other two week-ends excellent snow conditions prevailed at Mt. Baker, when everyone took full advantage of this fine resort. The standard of ski-ing was quite good, Drum, Meyer, Singer and Lowe being particularly noticeable for their promising technique.

N.C.B.C.

SPORTS DAY

ATHLETICS

Track and Field were very hampered this year by the fact that the School playing fields were being re-seeded. However, we were very lucky in that, through the kindness of the Victoria University Authorities, the Gordon Head Campus was made available to us. New high jump, broad jump and pole vault pits and a shot put circle were constructed at the back of the School, and a track was marked out at Gordon Head. Transport to and from was very kindly provided for us by H.M.C.S. *Naden*, and we were able to have a full track season, the biggest in the School's history, in fact, in spite of the difficulties with which we were faced.

Although the School won only one meet (against Esquimalt High School), the standard reached by the boys this year was the highest in the School's history, as the achievements in some of the individual performances, particularly in the field events, show. Nevertheless, it must be remembered that the all-round standard, especially in the Triangular Meet, is getting higher every year. Times good enough to win three years ago were only good enough for fourth places this year. If we are to repeat our success of 1959 everyone will have to be prepared to spend much more time training than previously.

In addition to the Triangular Meet, two very close and enjoyable meets were held with Oak Bay High School and Cowichan High School in Duncan. In both these meets, as in the Triangular Meet, although we proved ourselves to be superior to our opponents in the field events, we lacked depth in all the track events. This was to cost us very dear, especially where the Relays were concerned. Although we finished third in the Triangular Meet, three boys, Chapman in the discus and shot, Goward in the javelin and Monkman in the hurdles, established new records, while Blair, in his first year at pole vaulting, cleared over ten feet, and Allen II, running in the mile as a junior, finished fourth in 4m. 57.8s., a time good enough to win the event three years ago.

Without a doubt the outstanding athlete in the School was the Captain, David Chapman, who reached very high standards in the shot and discus. In the discus, in fact, he was only a few feet off the Canadian National Juvenile record, and with professional coaching he should go far in this event. He was also an extremely keen and efficient Captain in a season when organization was made difficult by lack of grounds. It was unfortunate that Anthony Keble, the Vice-Captain, developed chicken-pox early in the season, and was never able, therefore, to fulfil the promise he showed last year.

The Track Team consisted of Chapman (Captain), Keble (Vice-Captain), Blair, Goward, Yaryan, Monkman, Dykes, Stene, Abel, Simonson, Lowe, Barker I, Wyatt, Allen I, Fraser I, Mousel, Kelley II, Gage and Taylor.

Colours were re-awarded to Chapman, Keble and Blair. New colours were Goward, Yaryan and Monkman.

LESLIE ROBERTS ROSE BOWL

This Rose Bowl, presented by Mr. Graham Leslie for annual competition between the combined teams of Oak Bay High School-University School and Cowichan High School-Shawnigan Lake School, was competed for, for the first time, this year. Although Oak Bay-University lost by the odd point (64-65) the meet proved to be an unqualified success, the first of many, we hope.

LOWER ISLAND UNDER 16 TRACK MEET

Some eight schools competed in the first Annual Lower Island Under 16 Track Meet held at Cowichan High School in Duncan. The School team packed the seconds and thirds extremely well and finished second, four points behind Shawnigan Lake School.

SCHOOL ANNUAL SPORTS

Sports Day this year was held at Victoria High School, and although the day was cold and windy the boys enjoyed running on a cinder track. Both the Worthington Cup, for the best Athlete under 16, and the Corsan Cup, for the best Senior Athlete, were very keenly contested for. The Under 16 was a very close struggle between Lowe and Barker I, which Lowe finally won, for the second year running, while the Senior ended in a tie between Blair and Chapman. The Marpole Cup, for the best Athlete under 14, was won by Bapty II. The Inter-House Competition was won by Barnacle House. Finally, we would all like to thank Mrs. Yaryan for presenting the prizes so charmingly under such difficult conditions.

The results were as follows:

High Jump, under 16:

1. Barker I (Ba) (4' 11¾"); 2. Meyer (Ba); 3. Kelley II (Ba)

Broad Jump, open:

1. Keble (Bo) (19' 8½"); 2. Stene (Ba); 3. Murdoch I (Bo)

Pole Vault, open:

1. Jarrett (Bo) (9' 0"); 2. Blair (Bo); 3. Kelley II (Ba)

Hop, Step & Jump, open:

1. Stene (Ba) (38' 6½"); 2. Blair (Bo); 3. Yaryan (Ba)

440 yards, open:

1. Keble (Bo) (54.5s.); 2. Dykes (Ba); 3. Blair (Bo)

440 yards, under 16:

1. Lowe (Bo) (55.3s.); 2. Fraser I (Bo); 3. Cree (Ba)

120 yards Hurdles, open:

1. Blair (Bo) (17.1s.)

110 yards Hurdles, under 16:

1. Lowe (Bo) (15.4s.); 2. Meyer (Ba); 3. Barker I (Ba)

One Mile, open:

1. Gage (Ba) (5m. 7s.); 2. Taylor (Ba); 3. Symons (Bo); 4. Dobell (Ba)

One Mile, under 16:

1. Barker I (Ba) (5m. 6.2s.); 2. Allen II (Ba); 3. McGillivray (Bo);
4. Webb (Ba)

Discus, open:

1. Chapman (Ba) (135' 11"); 2. Yaryan (Ba); 3. Blair (Bo)

Shot Put, under 16:

1. Cree (Ba) (43' 5"); 2. Dillon (Ba); 3. Lowe (Bo)

100 yards, open (St. Luke's Cup):

1. Chapman (Ba) (10.6s.); 2. Keble (Bo); 3. Stene (Ba)

100 yards, under 16 (Blundell Cup):
 1. Fraser I (Bo) (10.7s.); 2. Lowe (Bo); 3. Cree (Ba)
 Javelin Throw, open:
 1. Simonson (Bo) (145' 10"); 2. Mackid (Ba); 3. Geissler (Bo)
 Shot Put, open:
 1. Chapman (Ba) (47' 1½"); 2. Yaryan (Ba); 3. Sweeting (Bo)
 Broad Jump, under 16:
 1. Cree (Ba) (17' 4"); 2. Barker I (Ba); 3. Price (Bo)
 220 yards, open (Girolma Cup):
 1. Keble (Bo) (24.3s.); 2. Chapman (Ba); 3. Dykes (Ba)
 220 yards, under 16:
 1. Fraser I (Bo) (24.8s.); 2. Lowe (Bo); 3. Cree (Ba)
 High Jump, open:
 1. Abel (Ba) (5' 3"); 2. Chapman (Ba); 3. Blair (Bo)
 Discus, under 16:
 1. Bratt (Ba) (113' 9"); 2. Lowe (Bo); 3. Seeger I (Ba)
 Old Boys' Race:
 1. B. Cree; 2. D. Beban
 880 yards, under 16:
 1. Allen II (Ba) (2m. 18.9s.); 2. Barker I (Ba); 3. Lowe (Bo)
 880 yards, open:
 1. Taylor (Ba) (2m. 13.3s.); 2. Dykes (Ba); 3. Blair (Bo)

 House Championship:
 1. Fraser (45 pts.); 2. Cook (42 pts.); 3. Thompson (24 pts.);
 4. McKenzie (21 pts.)

N.R.B.P.

CROSS COUNTRY

Shawnigan Lake School were the hosts for the annual run for the T. Eaton Trophy, for which the following schools competed—Victoria High School, Shawnigan Lake, St. George's, University School and, for the first time, the new Brentwood College. The schools finished in the above order. University School's first man home being Keble. Symons, Lowe and Taylor were the other participants.

Keble (Bolton) established himself as the best boy in the School over distance when he won the School Cross Country and the Old Boys' Cup which goes with it. Gage (Barnacle) was a good second and McGillivray (Bolton) was third. On the House basis Barnacle came out top, and the winner of the Robertson Cup for the first Junior home was Wilt, who ran extremely well to finish ninth in a field of 120.

In the Junior Cross Country the results were as follows—1. Wilt (21m. 50.5s); 2. Mittelstaedt I; 3. Barker II; 4. Clack; 5. Smith; 6. Bapty II.

W.R.G.W.

CADET-CAPTAIN KING RECEIVES THE PLATOON CUP

THE CORPS

This year, as in the past, the Corps has fully maintained its standard of efficiency. Late in September all Cadets who had served a year or more attended the Canadian Scottish Church Parade. During the rest of the term the Company, as a whole, progressed slowly, but it accelerated its pace throughout the year and eventually surpassed all our hopes.

Once again the "Commandos" held a number of night exercises, in the course of which a good time was had by all! On March 16th, the whole Company enjoyed a field day at Mary Hill Training Area (William Head), under the supervision of Staff-Sergeant Shine and a Support Company of the P.P.C.L.I. The cadets were shown various rope-bridge building methods, camouflage and rock-climbing techniques. The P.P.C.L.I. also demonstrated some of the new flares and hand weapons that had been recently acquired by the Canadian Army. In the afternoon "No. 1" gave an excellent display as a platoon in attack, complete with blank ammunition and smoke bombs.

On May 2nd, the Corps was inspected by General Rockingham, Commander of the Western Division of the Canadian Army. This was a distinction never before enjoyed by a single Cadet Corps. After Inspection Day the Corps marched in the May Day Parade and later, on June 16th., paraded, for the Princess Royal, with all the Canadian Scottish Cadets of Vancouver Island. There were no Sunset Ceremonies for us this year, as a suitable date could not be arranged. Nevertheless the Honour Guard put on an admirable display on Inspection Day.

Our congratulations must go to Captain King and C.S.M. Tuck on their achieving their Master Cadet Stars this year.

In conclusion, on behalf of the Officers, N.C.O.'s and Other Ranks, I would like to express my deep appreciation to Lieutenants Storr, Genge and Wilson for their work done for the Corps and for their efforts in maintaining our standards: also to Mr. Inglis, who supervised the shooting, and to the Matrons, who spent many a tedious hour on our uniforms.

The Cadet Staff was as follows:

Major G. D. Stene
Capt. R. J. F. King
Lt. D. A. Angus (Adjutant)
Lt. M. B. Huston (Quartermaster)
C.S.M. C. D. Tuck
Drum-Major I. M. Dykes
C.Q.M.S. E. H. Dodyk
Staff-Sergeant J. C. Mackid
Band-Sergeant D. O. Windrem

Lt. D. I. Chapman (No. 1 Platoon)
Lt. H. G. Sweeting (No. 2 Platoon)
Lt. H. W. Watson (No. 3 Platoon)
Lt. J. M. Palmer (No. 4 Platoon)

THE INSPECTING OFFICER TAKES THE SALUTE

Sgt. R. A. Pilling (No. 1 Platoon)
 Sgt. T. H. B. Yaryan (No. 2 Platoon)
 Sgt. N. R. Hawkesworth (No. 3 Platoon)
 Sgt. G. G. Murdoch (No. 4 Platoon)

John C. Mackid, Staff-Sergeant.

SHOOTING

The year has been extremely successful, although we have been hampered by the fact that there are now only two ranges at the Bay Street Armouries.

While no boy has achieved outstanding results, a great many have turned in very good averages, as will be seen below.

Every cadet shot once a week on the "22" ranges, and every second week twenty cadets were taken to Heal's Range. The latter proved extremely popular, especially when "L.M.G.s", as well as "303s", were fired. Perhaps by now fresh grass has grown on the range!

In a match against Shownigan Lake the School was narrowly defeated.

The main results and achievements were as follows:

D.C.R.A.

Team A	First Division	92.36%
Team B	Second Division	87.36%

Crossed Rifles (ten scores over 80 on the "22" range) were won by 16 cadets.

Crossed Rifles and Crowns (ten scores over 90 on the "22" range) were won by six cadets.

AWARDS

Goldby Cup (Best score in D.C.R.A.)	King 96.7%
Rich Cup (Best score at Heal's Range)	Mackid 76%
	Angus 94.3%
Junior Cup (Under 15 — Year's Average)	Montgomery 88.4%
	Chattaway 84.6%
Don Braidwood Cup (Under 16 — Year's Average)	Yaryan 90.0%
	Finch 87%
Harvey Memorial Rifle (Best Shot — Year's Average) .	Angus 92.8%
	King 92.7%

SHOOTING VIII

King	Angus
Sweeting	Mackid
Watson	Singer
Murdoch I	Collins

A.D.U.I.

THE BAND

THE BAND

I think it fair to call this year another successful one for the Band. We were fortunate enough to have last year's bandsmen returning to us, with the exception of four only. Our previous Drum-Major had built up a fine combination, and it was unnecessary, therefore, to go through the "basics". Thus, we were off to a good start before the Corps generally had been properly organized.

Aside from its ordinary Corps duties, the Band participated in the May 24th. Parade, and again came second in the judging of marching bands. We also had the privilege, with the Corps, of parading before the Princess Royal on June 16th. The Princess's compliment showed that the Band did the School justice.

My special thanks go to Dale Windrem, Band-Sergeant, and the entire combination for their fine effort and work. I wish the best of luck to next year's band, and hope that they will live up to the fine standard set for them by their predecessors.

Ian M. Dykes, Drum Major.

THE SIGNALS

As in previous years, a large number of names went up on the Signals list, lured by the bait of the Government bonuses offered to those who pass the test at the end of the year. But as the year went by the numbers were reduced, when it was seen that work was necessary to pass the test.

By Inspection Day the Signals were able to put on their display, and although the message was sent a little too fast the display went better than expected.

The Army were not able to send their examiners until several weeks after Inspection Day, and when they did appear it was two weeks before they were expected. As a result of the test, congratulations are due to Hardy I. Montgomery, Vallance and Izard, who passed the test at six w.p.m.; also to Vallance and Powell-Williams, who passed twelve and eighteen w.p.m. respectively.

Anthony J. V. Keble, Cpl.

RADIO COMMUNICATIONS

This year we were fortunate enough to have all our equipment except the "26" sets from the very beginning of the year. This made much more training time available to all personnel. Our gear consisted of two "19" sets, three telephones and a switchboard, plus four "26" sets.

Also, during the year the amateur Radio Station "VE7BIC" was operated from the Radio Shack, and thus many boys were able to send messages to their parents free of charge!

It has been a good year for "Communications", and its success, I believe, should be attributed mainly to Mr. Storr, who has worked unceasingly for the benefit of our group.

The best of luck to the "Shack" in the years ahead!

David A. Powell-Williams, Cpl.

FIRST-AID

There were 16 eager members in this year's First-Aid Class. After two terms' hard work all were ready for their St. John's Ambulance examinations. Our students passed easily, all obtaining over 80% and setting a standard which will be difficult to surpass.

However, it was the Inspection Day "War Game" that was the highlight of the year. As usual it was carried out in typical Hollywood style, and I am sure that a few Academy Awards could have been won by the valiant and dramatic enemy. In spite of much noise and smoke the display was of top quality and was highly commended by General Rockingham.

My congratulations go to the Class on their excellent test results, and my thanks to the volunteers concerned with the display.

Timothy H. B. Yaryan, Sgt.

THE SCOUTS

After a great deal of waiting the new Scout Hut was finally completed late in the Spring Term. With this important addition the Troop should make great strides in the future.

Without the Hut activities during the fall and the spring were limited. During the Summer Term, however, four separate weekend camps were undertaken by various Patrols. The last of these consisted of attendance at the Cedar Hill District Camporee at Camp Barnard by a Patrol of six boys, led by Cree, who, during the year, became a First-Class Scout. At this event the School Patrol, most of whom had had little camping experience, gained fifth place and a "C" standard (between 60% and 70% of the total points possible) in competition with Patrols from other groups in the district.

I.M.

PROJECTION CLUB

Once again the Projection Club has had a successful year. We hope that we have brought enjoyment both to Seniors and to Juniors with our assortment of films; and we are looking forward to next year with a new contract with Paramount Films.

As in the past, membership of the Club has been kept to a minimum, and only two new members have been admitted — Craig Johnson and David Powell-Williams. The old members were I. M. Dykes, W. Monkman and H. Pollard.

This year we were honoured with a Projection Club Dinner.

Mr. Inglis has been of invaluable help, and our thanks go to him and to all members who gave so freely of their time.

Harry V. Pollard, William R. Monkman.

ARTS and CRAFTS

Great strides have been made in this department during the past year. Owing to expanding classes the need for more and better facilities was intensified.

During the Christmas holidays therefore, the Art Room was "transferred" to what had been the School dining room and kitchen prior to the building of Brown Hall. The old dining room was first converted and painted and is now the new Art Room. Next the kitchen was remodelled and equipped with benches. Thus we had doubled our facilities and space in which to work.

Apart from the creation of a new block, the production of art work continued and, owing to the enthusiasm inspired by our new environment, the standards of work improved a great deal. It was now possible to experiment with a greater variety of media — handicrafts, wood-work, painting, drawing and many others.

The highlight of the year was, of course, the Exhibition on Sports-Speech Day, when both rooms were decorated with 182 pictures and numerous models and crafts. Unfortunately, as the Sports had to be held outside the School grounds, the attendance was not what had been expected. This was a pity, as the quality, originality and imagination shown produced a display of high calibre.

Art prizes, this year, went to Blosser and Douglas in the Junior School and to Genge and Riskin in the Senior.

Next year it is hoped to broaden our scope even more, with exploration into such media as sculpture and oil painting.

A.L.G.

HOBBIES CLUB

This has been our most successful year. The Club was started a few years ago, from scratch, by a small group of boys looking for a place of relaxation and refuge. Quarters, through these past years, have been rebuilt and remodelled many times, and even now, consist merely of a small “nine-by-nine” room in the rear of the School, with another room (discarded by the *Wedge*) adjoining it.

Our numbers have always had to be kept to a very small maximum, owing to our lack of space. Most of the present members will be leaving, but we hope that our successors will uphold our traditional motto: “Our hobby is the Hobbies Club”.

John G. Finch, President.

THE LIBRARY

The Library doubled its size in School Year 1961-62. The provision of a new Reading Room has eased our space considerably.

The Reading Room, comfortably furnished with magazine racks, reading tables and easy chairs has proved to be a very popular new amenity.

The year saw some excellent additions to our books, by donation and purchase. The librarians have maintained the high standards set by their predecessors. The number of books borrowed last year showed a pleasing increase over the previous year, and the magazine section also has been well used. We have 41 magazines and periodicals arriving regularly, thanks to the kindness of parents and friends.

P.A.C.

BARNACLE HOUSE

Once again, under the sure hand (and occasionally stick!) of Mr. Wenman and Mr. Prowse, the House has lived up to its traditional high standard.

In sporting fields the House has surpassed last year's fine record. In basketball the House won both Senior and Junior Inter-House games. In the Senior game much of the credit must go to Abel, who led us to victory. In the Inter-House rugby we lost the Senior game but won the Junior, and we scored well-deserved victories in cross country and track, to regain the Sports Trophy. In Inter-House Cricket the House put up a vigorous show but had to be content with a draw. Where these activities are concerned, our thanks must go to Dave Chapman, Ian Dykes and Robin Barker, for their enthusiasm and sterling support; also to Mr. Prowse for just being himself (this should be self-explanatory to all past members of the House, as it will be to future members).

To those returning I wish the best of luck, and hope that they will surpass the standards set by the House in previous years.

Gordon D. Stene, Captain of House.

BOLTON HOUSE

Bolton has had another wonderfully successful year. The whole house owes a great deal to its housemaster, Mr. Creek, who has inspired it with praiseworthy house spirit and has devoted much time to its affairs and the smoothness of their running.

Our games activities have gone very well, Bolton winning both rugby matches as well as the Senior swimming. However, Barnacle put up a fierce struggle to win the Colts Rugby. We had a keen interest in the basketball, but were defeated by a strong Barnacle team in both "Under" and "Open" games. We also had to bow to them on Sports Day, but the departure of Chapman has given us a much brighter outlook for next year. The cricket resulted, once again, in a draw, but both teams showed great enthusiasm for the sport.

Many thanks go once more, to Mr. Creek; also to Mr. Genge, who has always been willing to help us with our various problems and shows keen interest in House activities. Our thanks are extended too, to Miss Ferguson; and to Mrs. Freil and Mrs. Warlow for their linen-room efforts to keep us clean!

Bolton House old hands and new members have high standards to maintain and great traditions to follow. We all hope that they will continue to tread in their predecessors' footsteps.

Jim E. Mousel

HARVEY HOUSE

There were several changes in the Junior House staff this year. Mr. Devlin, who had been a resident for two years, left the School in June. In September Mr. Inglis and Mr. Powell arrived as additions to the resident staff. In December Mr. Wilson, who had been House Tutor for over two years, moved out after his marriage.

The Dormitory Prefects this year were Douglas I, Wilt, Harris I and Code II, with Garrigues in charge of the small dormitory. They all did very well and the House, as a whole, was fairly well kept. The House Library was in constant use, and the hobbies rooms produced their usual crop of models.

In Sports, the Junior Rugby and Cricket teams again distinguished themselves. In the Junior Athletic sports, in which the inter-dormitory competition was won by Fraser, the Under 14 Sports Champion was Bapty II. The Junior Cross Country was won by Wilt, who was also runner-up to Bapty. Mittelstaedt I, who came second in the Cross Country, was largely responsible for the victory of Fraser in the Junior Swimming sports, scoring almost half their points himself.

Detailed reports on our various physical activities will be found in the sections of this magazine devoted to the sports in question.

J.M.

JUNIOR FRENCH READING

The Junior French Reading competition was won by Thorp II. The standard was low, the simple passage proving too difficult for the majority of the contestants. Brock, who will still be available next year, and Warrior were the only other boys whose reading sounded at all like the language under fire.

J.B.P.

THE WEDGE

The *Wedge* opened strongly at the beginning of this school year and five issues were printed during the course of the first two terms. Always up-to-date in its news and clear in its editorial policies, the *Wedge* kept the student body well informed and adequately entertained. Unfortunately, under the pressure of exams, the Editorial Board decided to discontinue publication of the newspaper after the Easter Vacation. Moreover, the reluctance of many students to aid in its production being a contributing factor, the Editors do not foresee a continuation of the *Wedge* in the school year 1962-63, though there is hope that someone with a good deal of energy and enthusiasm may elect to try his hand at the newspaper business.

The Manager and Managing Editor (Dan Davis and Bob Pilling) would take this opportunity to thank all who have contributed to the

Wedge during the past year and wish them good luck in any similar future enterprise.

Dan R. L. Davis, Manager.

(The *Black & Red*, too, hopes that this excellent sister publication will not languish from lack of interest and energy. — Ed.)

THE SCHOOL DANCE

In the latter part of February the announcement of the exact date (March 10) for the School Dance was received not unenthusiastically throughout the Senior School by those who were impatiently looking forward to the occasion. Also, this year the Day Boys, who could not be invited last year, were to be able to attend. Thus, with the able guidance of Mr. Creek and the whole-hearted support of a segment of the student body (a dedicated group known as the "Dance Committee"), final preparations were completed with the sending out of the invitations to the ladies who were to attend. Just prior to the dance the hall was tastefully decorated by Mrs. Timmis.

With refreshments in the competent hands of Mrs. Freil and her select group of hard-working boys, the 80 couples present (in addition to several "stags", to make things more interesting!) apparently enjoyed the dance immensely, and many made the observation that the event was even more successful than that of last year, which had been praised so highly. In fact the consensus is summed up by the remark made by a Seattle girl after the dance — "I'm glad I came"!

Dan R. L. Davis.

EUROPEAN TOUR

The Annual European Tour was, once again, a complete success. An enjoyable and instructive time was had by all concerned.

Leaving Victoria on June 29th., we flew by jet to Montreal, where we spent the night. Next morning we boarded the R.M.S. *Carinthia* for a six-day voyage to Liverpool. The trip was a haze of dancing, eating, sleeping and fruitless attempts to forestall indigestion by participation in vigorous deck games. An outstanding memory is the transfer of a critically injured seaman from a Norwegian freighter, after an S.O.S. and a medical supply drop by a U.S. Coastguard plane.

First stop after disembarkation was London. In addition to the usual sight-seeing session, we were treated to a conducted tour of the Houses of Parliament by Lord Spens (by kind arrangement by the Royal Commonwealth Society) and a tour of *The London Times*. Then came a three-week circular tour of England, the highlights of which were our stay in Mr. Prowse's old college at Cambridge, a visit to Stratford-on-Avon (where we saw *Cymbeline*), a visit to Coventry Cathedral

and lavish hospitality shown to us at "Worksop", "Rossall", "Radley" and "Dauntsey's" Schools.

The Lydd-Le Touquet Air Ferry transferred us to the Continent, and we drove straight to Ypres. Here we toured the First World War battlefields. Especially memorable was the kindness shown us by Mme. Delue, the proprietress of our hotel.

Leaving Belgium we drove to Luxembourg, through the Ardennes, only to find that Wyatt had left his passport in Brussels. Mr. Caleb and Mark thereupon drove back, and then straight to Cologne in one day, while the rest of us reached that city down the Moselle Valley. This long-distance feat by Mr. Caleb produced some surprise, as by this time he had gained a certain reputation as a driver.

Two days were spent at Cologne and Heidelberg, where some of us visited the famous student beer cellars, and we then headed south down the autobahn to Switzerland. Arriving in Basel, we were introduced to Kurt Müller, a friend of Mr. Prowse, who stayed with us for our four days and, being a fun-loving native Swiss, gave us many enjoyable and amusing moments.

The Grimsel and St. Gotthard Passes introduced us to Italy, where at Florence the "cultural" side of the tour achieved its finest moments in the Uffizzi Gallery. We then moved to Alassio, where we spent five glorious days on the Riviera, sunning ourselves and generally relaxing. We had all needed this rest, not least Von Dehn, whom we had to hand over to the tender care of the Italian medical profession.

Via Monte Carlo and Nice we ultimately reached Arles, in France, where we saw a bull-fight, and from there travelled to Paris. Paris, being Paris, proved a fantastic but thoroughly enjoyable rush of sight-seeing, day and night versions, and then, all too soon, it was all over. We drove to Amsterdam, where Mr. Caleb and Mr. Prowse said good-bye to us temporarily, and as we flew home all had many happy memories of their "dream that came true".

The party consisted of: Mr. Caleb, Mr. Prowse, George Abel, Barry Blair, Garry Simonson, Danny Singer, Paul Riviera, Mark Wyatt, John Herpers, Matt Kelly, Jamie Angus, Tooley Meyer, Neil Fraser and David Von Dehn.

George D. Abel

OLD BOYS' NOTES

Congratulations to Michael GERRY, who has gained his M.Sc. at U.B.C. and has now left for Cambridge, there to continue his studies with the help of a \$2,400 Scholarship.

Congratulations also to Ted POLLARD, who has completed his B.A. at Victoria University, and now goes to U.B.C. to work for his Law Degree.

Naval Headquarters in Ottawa have announced the appointment of Cmdr. J. B. YOUNG to command H.M.C.S. *Terra Nova*, of the

Fifth Canadian Escort Squadron at Halifax. John has been in England for the last two years on the staff of the Royal Naval College, Greenwich.

Philip SYMONS writes from the University of Leyden, where he is studying animal behaviour on a Netherlands Government Scholarship. He hopes to have the equivalent of a Ph.D. before returning to Canada. In addition to his prescribed work at the University he is learning the language of the country, and in this connection has some interesting comments on the excellence of the linguistic ability of the average Dutchman as compared with the poor standard exhibited by the average Canadian.

Among Old Boys who visited the School this summer were:

C. J. NORTHROP — Paddy was in Seattle for the World's Fair, and took the opportunity of bringing his wife and family to Victoria for a day or so.

K. A. McINTOSH — We were glad to re-discover Ken, who now lives in Lethbridge, Alberta.

F. G. ROSS — Business commitments in the State of Washington on behalf of Chase National Bank, of which he is an Executive Vice-President, brought Frank all the way from New York this summer. Of course the World's Fair and University School were on his list.

Early in the Christmas Term the School was visited by General Sir Charles F. LOEWEN, G.C.B., K.B.E., D.S.O., traces of whose footprints may still be discerned on the Corps Parade Ground. Charles Loewen entered University School in 1910, and left in 1913 to complete his education in England. He entered the army and rose to the rank of adjutant-general before his retirement two years ago.

Another Old Boy visitor with a very distinguished army career was Brigadier G. E. R. SMITH, who has recently retired as Colonel-Commandant of the Royal Canadian Army Service Corps. Brigadier Smith has supervised the publication of the R.C.A.S.C. official history, *Follow the Wagon*, a copy of which he has most kindly presented to the Library.

Superimposed on those prints might well be observed the more recent ones of Barry PHILLIPS, who matriculated in 1961 and who, we are glad to report, has been commissioned and posted to Winnipeg with the Royal Canadian Army Service Corps (almost at the other end of the chain of command). If the progress reported in the previous paragraph is to be regarded, in Old Boys' circles, as a hard-and-fast criterion, we shall watch Barry's career with interest and confidence.

In the realm of vital statistics the Association seems to have had a singularly inactive year, as we have received no reports of marriages, births or deaths.

W.R.G.W.

UNIVERSITY NEWS

We have long hoped to resuscitate the Annual Letters from Universities, which many years ago were a feature of the *Black and Red*, and are indeed, a popular feature in many school magazines.

We are greatly indebted therefore, to Michael STEPHEN for sending us the information below regarding Old Boys at Victoria University, and hope that this will inspire our representatives at other seats of learning to keep the School in contact with their contemporaries:—

Ivor ALEXANDER (1956-57) — Completed 1st. year 1962. Plans to remain at University for B.A., possibly "honouring" in Languages. (Philosophy Club, Letters Club, Maths. Club, Editorial Staff of *Stylus*.)

Jim ANDREWS (1956-60) — Completed 2nd. year 1962. Remaining at University for B.A., majoring in English and History. Then proceeding to University of British Columbia to read Law. (Players Club, Outdoor Club.)

Charles BOAS (1946-58) — Completed 2nd. year 1962. Possibly proceeding to New Zealand to study dentistry. (Players Club, Outdoor Club [Vice-Pres.], Head of Dance Committee, Skin Diving.) Charles will be travelling to Europe this fall.

Peter CLARK (1953-56) — Completed 4th. year 1962, obtaining B.A. degree with majors in Economics and Geography. Plans to do post-graduate work in Political Science in England and then to proceed to the study of Law. (Outdoors Club, Geography Club, Listening Club, Stein Club.) Peter was married in December.

Larry DEVLIN (1957-59) — Completed 2nd. year 1962. Plans to remain at the University for his B.Ed. and then possibly travel east for his Master's degree. ("Mr. Music" on Campus. Conducted the Choir, performed in the College Revue [thanks to the School for the loan of Brown Hall piano] and was President of the Student Teachers' Organization.)

Nicholas ETHERIDGE (1956-58) — Completed 1st. year 1962. Plans to continue in Liberal Arts towards B.A. degree either at Victoria or Carleton University. (Liberal Club, U.N.T.D.)

Christian FIBIGER (1957-60) — Completed 2nd. year 1962. Remaining at University to complete pre-medical requisites. Plans, after obtaining M.D. degree, to do post-graduate work in Psychiatry. (Jive Club, Rugby Football.)

Bernard GOWARD (1957-60) — Completed 2nd. year 1962. Possibly remaining at University towards B.A. degree. At present engaged in Advanced Greek Studies.

David GRUBB (1956-61) — Completed 1st. year 1962. Plans to stay at University on Canadian O.T.C. (Secretary of Liberal Club, Choir, Jive Club.)

- Richard HETHEY (1957-59) — Completed 1st. year 1962. Remaining at University for B.A. degree, then proceeding to University of British Columbia to read Law.
- Jay HINTON (1952-61) — Completed 1st. year 1962. Plans to remain at University for B.A. degree with Honours in English. (Liberal Club, Outdoors Club.)
- Rob MAYHEW (1956-58) — Completed 1st. year 1962. Proceeding to University of British Columbia for degree in Engineering. (Choir.)
- Ted POLLARD (1953-58) — Completed 4th. year 1962, obtaining B.A. with majors in Psychology and Sociology. Plans to read Law at University of British Columbia. (Pre-Law Club, Debating Society, Jazz Club, Golf, College Tennis Representative.)
- Arthur SHAFFER (1957-60) — Completed 1st. year 1962. Plans uncertain; at present is in England working as test-driver for an automobile manufacturer. (Jazz Club, Jive Club.)
- Michael STEPHEN (1957-60) — Completed 2nd. year 1962. Possibly remaining at University for B.A. degree, "honouring" in English. (President Liberal Club, Players Club, Letters Club, Rugby Football.)
- John TODD (1958-59) — 1st. year 1962. Plans uncertain. (Jive Club.)
- John WENMAN (1951-59) — Completed 3rd. year 1962. Plans to stay at University for B.A. degree, majoring in History and Geography. (Pres. Geography Club, Creighton Club, Captain of Rugby Football, Field Hockey.)

Ed.

ACKNOWLEDGMENTS

Sister publications which have reached us have been too numerous to detail here. We warmly thank the editors concerned and assure them that "exchange copies" are invariably mailed.

Ed.

NOTE

The Editorial is indirectly dedicated to the efforts, in Latin "110", of University School Candidate June 62, 3582.
